

Public Health Reform Programme Board – Thursday 2 May 2019

Delivery of Shared Services by NSS - Design Briefs for Central Legal Office (CLO) and Counter Fraud Services (CFS)

1. Background

NSS has been invited by the PHR Programme Board to develop shared service proposals for five areas including Finance & Legal services. The legal services currently provided by NSS to NHSScotland are undertaken by the Central Legal Office (CLO) and Counter Fraud Services (CFS).

NSS has prepared the tabled specifications from CLO and CFS for delivery of their services to Public Health Scotland.

2. Recommendation

The Programme Board is asked to approve the proposals made by NSS for the provision of legal and counter fraud services to PHS.
